Contagus as a product is used as an instrument of ebbing positive social, moral, and economic change for clients, the business sector, the community of supporters, and more importantly the cause.

Our mission is to aid and support organizations to do more by empowering and inspiring individuals to give more. We do this by presenting a better vehicle of entry for those that want to support but feel their giving lack impact, by providing a product that in time can increase their level of giving. We offer the largest deal by phone app in the country, providing the ability to SAVE thousands of dollars a year.

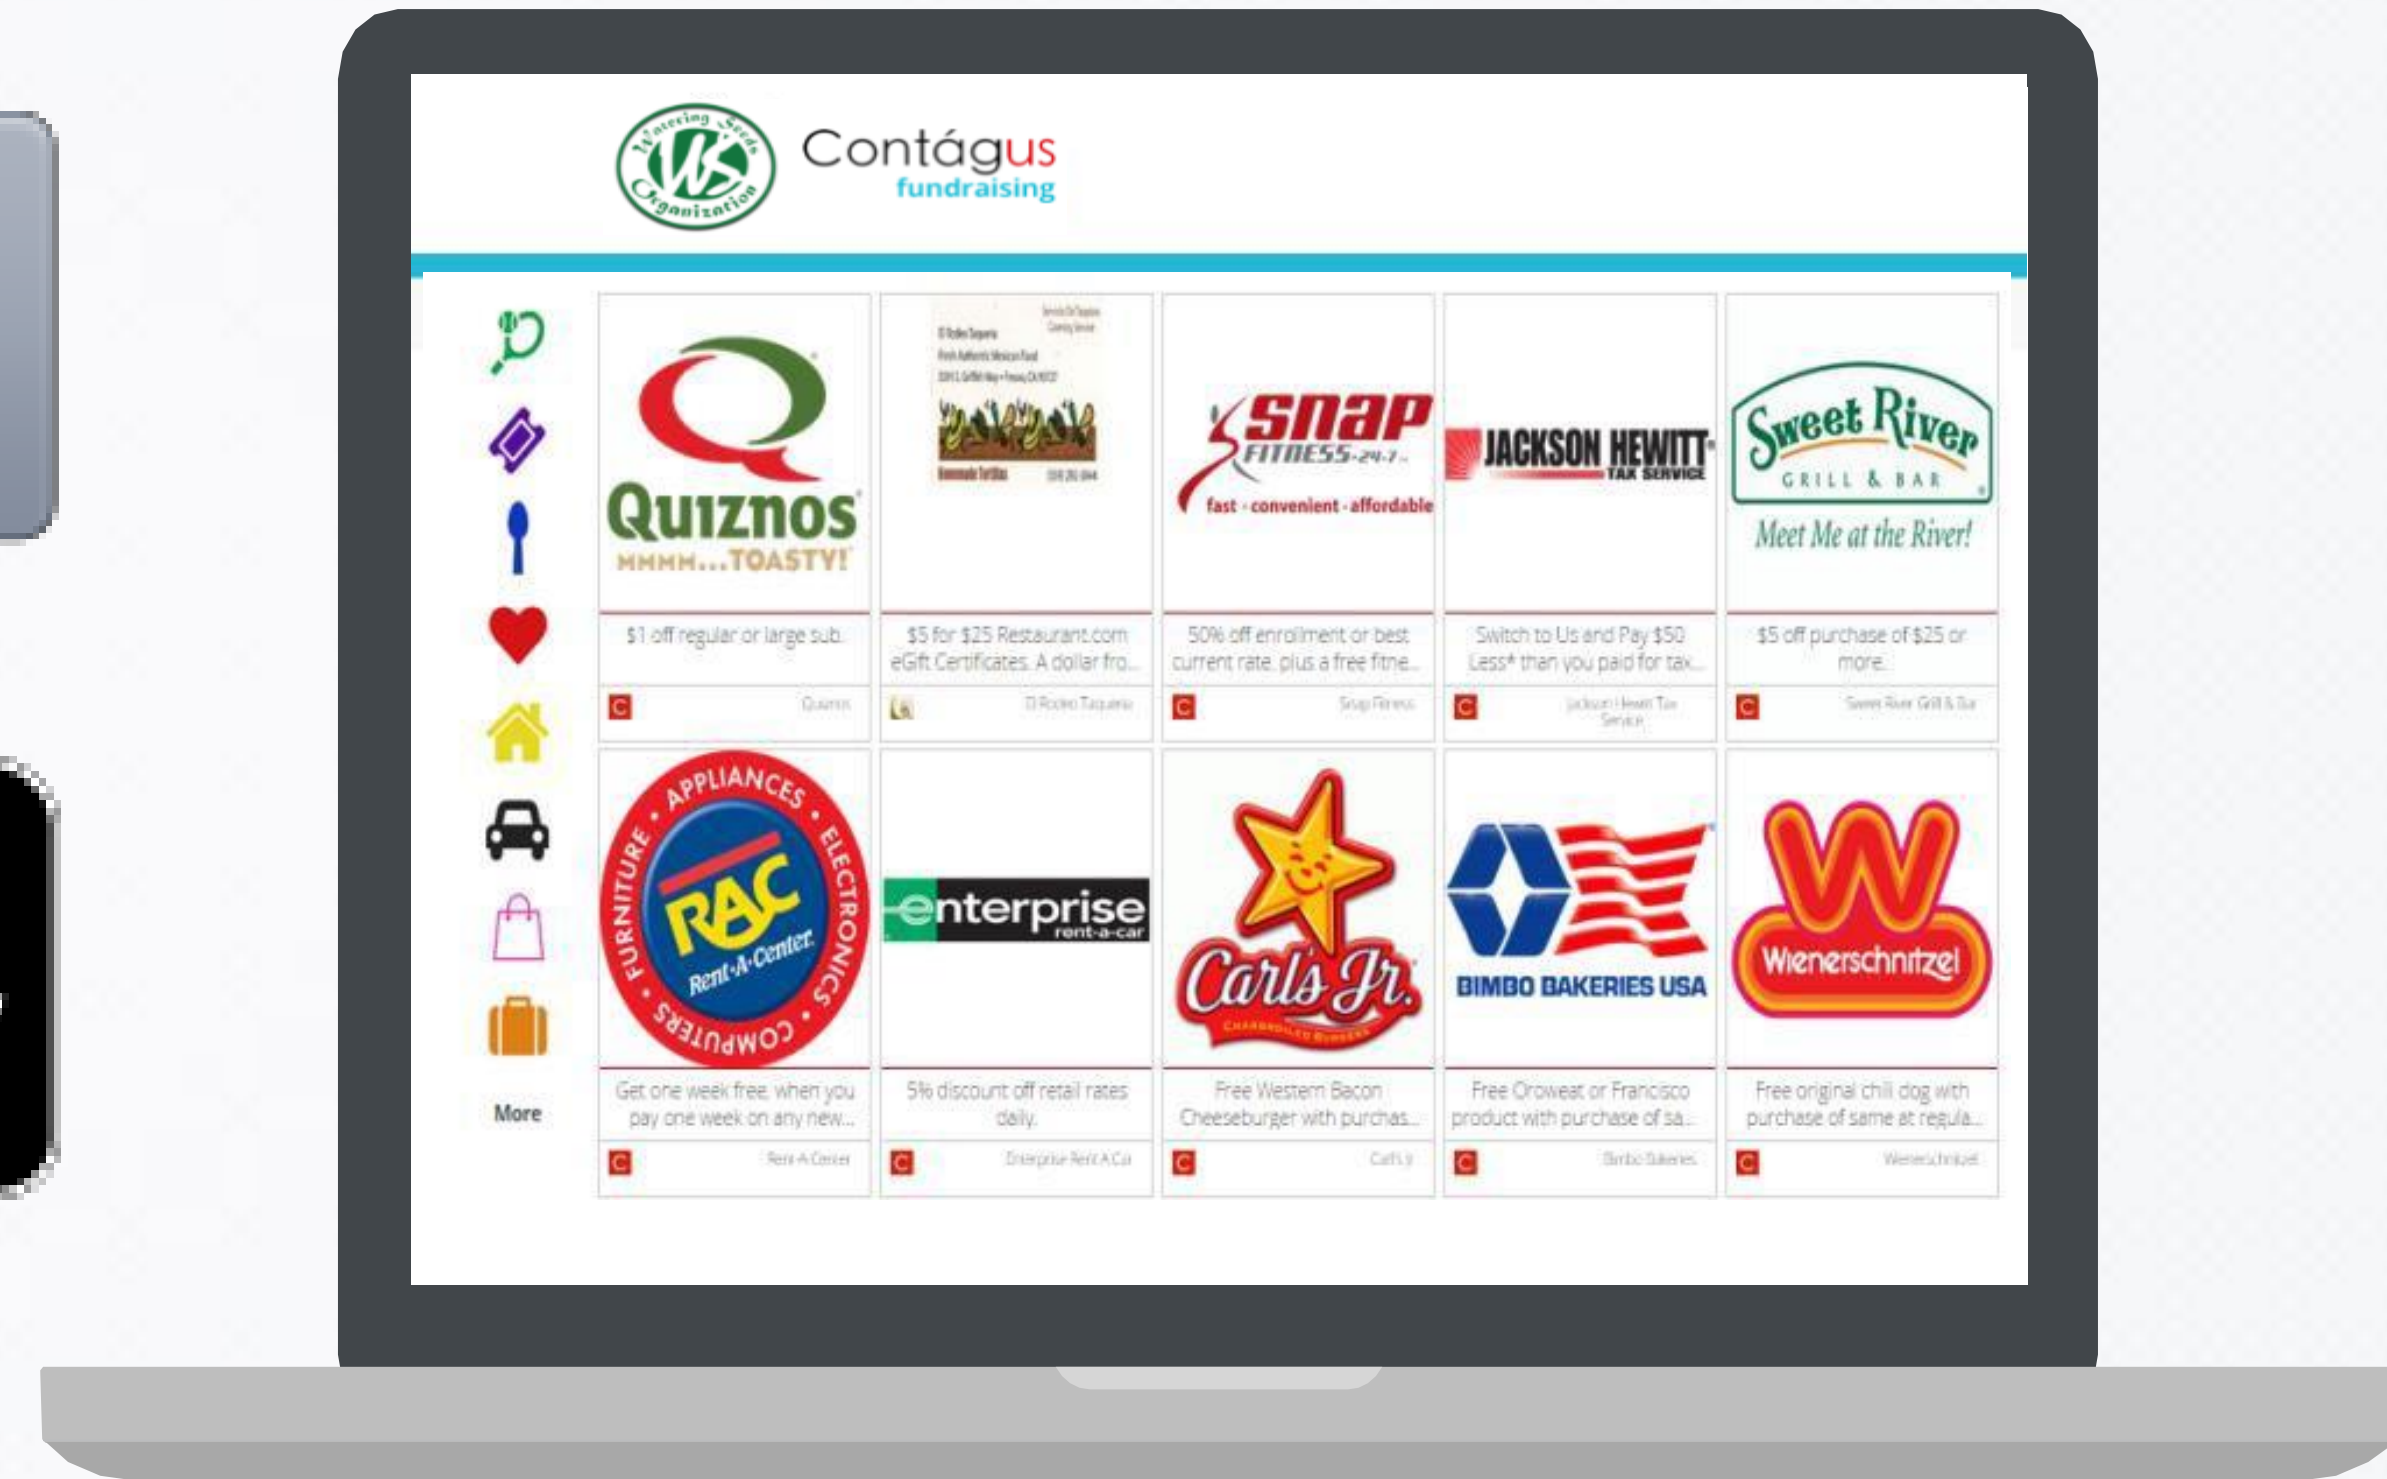

Our goal is to be the platform of choice when money needs to be raised and lives need to be changed. We strive to help each client achieve their financial goals, Sustain their financial support system, and Thrive in their efforts to serve their communities.
